HON. VON MAYES.

At this time, when everybody is lauding the legislative record resulting from the recommendations of Governor Gardner, the splendid services of the faithful members of the general assembly who made that record possible come in for a full share of the credit and praise. The twenty-third senatorial district, of which Scott county is a part, was ably represented by State Senator Von Mayes of Hayti. His record in the session just closed was one that reflected credit on himself and his constituents. Though a new member, he was given excellent recognition in the organization of the senate and served on several leading committees, being chairman of the railroads committee, which is regarded as one of the best assignments. Senator Mayes also proved himself to be an energetic and useful member on the floor of the senate. He has a quiet, persistent and effective way of doing things and soon ac-

quired the reputation of looking after the interests of his constituents with untiring zeal. The record made by Senator Mayes in the legislature proved the wisdom of the voters in selecting him to represent them.—Scott County Democrat.

H. Henderson, one of the leading merchants of the Concord neighborhood, was transacting business here Tuesday.

I. Kohn, the enterprising merchant of Hayti, was in our city Friday on business.—Caruthersville Argus.

Joe Melton of Black Oak, Ark., came up Thursday to look after business interests in Hayti.

Shirley Maxey is now one of the permanent clerks of the store force at Buckley's.

John T. Erwin Dead.

Another old citizen of this county has passed away, being John T. Erwin, aged 54 years, who died Sunday, April 1, 1917, at 9:45 p. m., of malaria. Mr. Erwin was born in Obion county, Tennessee, coming to this county about twenty years ago, and to Hayti twelve years ago.

He was up until later years connected extensively in the sawmill interest in different parts of the county, and finally was forced to break away from the business.

In his death he leaves four daughters, they being: Mrs. Maud Heard of Hayti; Mrs. Grace Camp, Stuttgart, Ark.; Mrs. Lillie Michie, Micola, and Miss Mable Erwin, Hayti.

Funeral services were held and interment was had in the family lot in Woodlawn Cemetery under direction of Uncertaker Dorris, the services being by Rev. K. V. Propst of the Methodist church.

We extend to the bereaved family our sincere sympathies.

HAYTI HAS A QUIET ELECTION

Some Changes in City Administration--All School Propositions are Carried.

The city and school election held in this city Tuesday brought about a few surprises, but was orderly, quiet and good feeling prevailed on all sides.

Every candidate went about with a determined effort to win without any blustering or arguments. Voters went to the polls and quietly cast the deciding votes.

The following are the names of the new officers elected for both city and school:

CITY
B. L. Guffy, Mayor.
W. E. Robertson, City Marshal.
F. M. Gwin, Police Judge.
Jack Teaster, Alderman Ward No. 1.
L. L. Lefler, Alderman Ward No. 2.

SCHOOL
R. C. Cresswell, Director.
G. W. Dorris, Director.
A nine months school term.

Thus it is to be seen from the above list, that the newly elected officers together with the old ones, that Hayti and her school is going to only remain as good as before, but is making a forward movement.

We are led to believe that the new board of aldermen and mayor will retain Senator Von Mayes as the city attorney but have no information relative to the other appointments.
